

# Vuluntariadu é Kuzé?

Cape Verde International Film Festival 2011 - Ilha do Sal

Friday, October 14, 16:00 - 16:05

This short documentary film highlights the experiences of three volunteers working with the Cape Verdean community. They show us that by being a volunteer, you change your community and most of all, you change yourself - *make a better world, change your world, and change Cape Verde*. The 10th anniversary of the International Year of Volunteers (IYV+10) provides us the opportunity to recognize and celebrate the will and energy of millions of people in helping to achieve the Millennium Development Goals (MDGs) with great diversity, regardless of their ages, origins, cultures, socio-economic backgrounds and experiences.
